Under the Investing for Success Agreement for 2017
Wallangarra State School received

$30,546

Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 Investing for Success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:
- Employed a teacher and teacher aide to work with individual/small groups of students to provide instruction based learning in reading.
- Developed learning plans that had specific goals for targeted students based on NAPLAN and PAT test results.

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2017 Investing for Success agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:
- Developing a cycle of review to collect and analyse data.
- Built data capacity in data analysis and development of targeted teaching strategies. ……
