**Soccer teams**

Congratulations!! Both teams won last Friday. This week the teams play each other here at school. Game will commence at about 1.45pm.

**New Library**

Work has commenced on the new library. This should be completed by the end of the month. (hopefully). A section of the grounds is out of bounds for the students.

**School Opinion Surveys**

Please return school opinion surveys by the 5 August.

**Dental Visit**

Next Wednesday Sue Fleming the dental therapist will visit the school to speak to the children about dental health. She has written a book on children’s dental health and will donate this book to the school.

**Raffle**

Congratulations to Bradley Butler who won the major prize of a lamb to the value of $250. Thanks must go to T&R Pastoral who generously donated the lamb and also to Belinda Bramley who donated most of the multi draw raffle. Also thanks to Mitre 10 Stanthorpe, Stanthorpe Sports and Camping, Stanthorpe Newsagency and Pat Cusack. We raised $470 which will assist Faith’s family while she is undergoing treatment in Brisbane. Many thanks to the community of Wallangarra and surrounding areas who always support the school.

Regards
Scott Koch

**Thought for the week**

Leadership and Learning are indispensable to each other.
3/4/5
Another busy week has past in the blink of an eye. We are well underway with our science unit ‘Spinning in Space’. The kids have thought about what they think happens to cause day and night and we have investigated the sizes of the Earth, Moon and Sun and their distances apart. Our poetry unit is going along nicely, we have begun learning about different types of poems and being able to identify what type of poem they are reading.
Homework is off to a good start for the term which is pleasing to see. Please continue to encourage your child to read. Have a super week!
Cheers, Lauren

Prep 1/2
We have received our Eisteddfod program this week. The children will be doing their poetry on Tuesday 23 August. We will be starting after morning tea and as yet we are not sure what time this is but we estimate about 10:30. We start with our class poetry which is then followed by about 13 competitors doing other areas then it is our year two children and our year 1 children following these. After these two categories there are another 11 speeches then lunch is scheduled for 1:00. The prep children are on after lunch. The afternoon session commences at 2pm.

We are looking for parents to help out with transport on this day. If you can help please let me know as soon as possible. I need to work out who is going with whom. If you are unable to take transport your child will need to be dropped off with their booster seats, if they use them. These can then be taken by the transporting parents.
The 3/7 class will be competing on Friday 26 August after morning tea. Transport will need to be arranged. If any parents are able to take students to Tenterfield please let the school know ASAP.

School Camp
All camp fees must be paid for by the end of this term which is 10 weeks. If you have not paid the full amount, I am afraid your child cannot attend. Thanks to the parents who have paid this amount in full.
Scott Koch
Principal

Milk Bottle Caps
Please send along the milk bottle caps. There is a container here at school. This program is now up and running again.

Coles and Woolworth Vouchers
Please send along any Coles vouchers you get at the checkout as well as the dockets you get from Woollies. These will be collated and sent away to gain sporting equipment and resources for the school. Of course the more dockets we collect the more we will receive.
