We have 4 spots to fill for the Driver Reviver.
- Sunday 18 September: 11am-2pm and 2pm – 5pm
- Sunday 1 October: 2pm -5pm
- Sunday 2 October: 2pm-5pm

Please let the school know if you are able to help out for a 3 hour shift.

Front page Soccer news...

WE ARE THE CHAMPIONS!!!!

Yesterday Wallangarra 1 defeated Glen Aplin in the Southern Schools Final at Ballandeant Soccer Oval. The final score was 8-2!!!!!!

A HUGE thankyou to Karina, Eddie & Ian and Judy, Loretta, Jenni, Michelle, Jane and Tanya for supporting our team and assisting with transport. This FRIDAY 16th, we play THULIMBAH, winner of the Northern League, in the A League Final to determine the Best of the Belt! The game will be played at 1pm at Sheahan Oval on Harris St, (just behind C.F. White Oval). We will have the same team playing as yesterday and we require assistance with transport and cheering! If you are available to assist please let Lauren know tomorrow. We will need to leave the school at 12:20pm on Friday.
We've reached the end of the term and it seems to have flown by in the blink of an eye. We have completed most of our classroom studies despite a great deal of absence throughout the class. We are frantically trying to fit in the end of our units around our Sustainability week activities.

Next term we are going to extend our learning about the Earth, Sun and Moon from this term and delve deeper into an Energy and Change unit on Light. It will be a struggle to fit an entire unit into term 4 as we have a busy term, however we will work hard to get as much covered as possible. For our science unit, we will be needing some shoe boxes, if you have any lying around at home could you please send them into class in week 1 next term.

This term we have been focussing on our tables at the beginning of each maths lesson. Please encourage and assist your child to learn these off by heart and keep up their knowledge of them through the holidays. Times tables are a priceless resource for your child to know and being proficient in these makes maths so much easier and enjoyable.

Have a safe and happy holiday.

Cheers, Lauren 😊

Pre 1-2
It has been noticed that a lot of the younger students are running short of supplies. Could you please send in the following items for your child/children; good quality writing pencils, rubber, glue stick, textas and sharpener. The cheaper versions of pencils keep breaking and sharpened down to nothing in a week.

I will be away the first week back next term on Long Service Leave. Mrs Petrie will be taking the class. She will commence our science unit on Pushing and Pulling and Our literacy unit which will involve the prep students. This is on Australian Animals. At the conclusion we will be writing reports on what we have learnt.

If you have not returned your library and home reading books they need to be brought in as soon as possible this week.

Under's 8's tomorrow
We will be travelling to Ballandean State School tomorrow and will be leaning the school at 9am. I would like all students from prep to 3 to be here by 8.45am in full school uniform. Children will also be taking their lunch boxes and water in their school bags. Don't forget a jumper as it still could be cold. Parents of those children who are travelling with other parents and who still need a booster seat will need to drop them to me that morning.

Sustainability Week
Students who have not returned their bike permission need to return them by tomorrow. They will need water bottles for Friday lunch as we are suppling a healthy lunch. Please make sure the water bottles are named and left on the table outside the tuckshop on Friday morning. Healthy wraps will be made for the students at 11am so students will need to bring food for the second break. Thanks to Tracey East for donating the watermelon for dessert.

Bike ride- Friday
This will commence at 9am so make sure you have your bike and helmet. The shed will be open at 8.45am to enable the bikes that have been left here to be ready for the ride.

Behaviour reward
All the children had a great time on the Behaviour Reward Day. Those children who didn't get to participate will have to make sure that you get all your homework and reading done on time next term so you don't miss out on the next reward day.

Prep Birth Certificates 2012
It is mandatory to present your child’s birth certificate on enrolment in 2012. If you have not given us your child’s birth certificate to be photocopied, please send it along ASAP. It is now the rule that we cannot accept your child’s enrolment without the birth certificate.

Coles and Woolworth Vouchers
Please send along any Coles vouchers you get at the checkout as well as the docket you get from Woolies. To date we have collected 410 points from Woolies dockets and 4387 from Coles vouchers.
