Extended Learning - Next Thursday and Friday - Year 7
Please send along the $35 for Extended Learning ASAP. We still require transport to and from Storm King Dam. Please let me know if you can assist. I will also be going to Extended Learning on the Thursday and will be with the abseiling group.

Tennis
Yesterday we played Glen Aplin 1 here at school. Glen Aplin won 17-7. We will be travelling to Glen Alpin next week to play Glen Aplin 2.

Cubby House
Thanks to the generosity of the P&C we now have a new cubby house for the Prep and Yr One students. The new 2012 prep students were able to play in it yesterday. Many thanks to Kristian Bramley who erected the cubby house for us. We really do appreciate it. It will have to be painted in the near future and the P&C is looking for volunteers to assist. Please contact Marion Saxby and let her know if you are available.

Cheers
Scott
Another busy week has flown by! This week we have been discovering the wonder of water as part of our health unit. We also discussed the science behind the water cycle and how we get the water we need to live. Our Looking for Light presentations were very good, we had many very well presented posters and books to demonstrate the multitude of light sources found in and around our homes.

We have been practising our 6 times tables this week, so feel free to shoot some at your child to challenge them! We have also begun planning our short stories that we will publish into picture books later in the term.

A reminder that homework to be completed is 20 minutes reading at least 4 nights a week and the completion of 1 Accelerated Reader test. Homework is due each Friday and if it is not brought in, it is the child’s responsibility to bring it in on the following Monday.

I have been battling the flu this week and was able to leave at second break today to rest and recover. John Tapscott took the class for the afternoon.

We had a lovely day with the incoming preps yesterday. We have 13 confirmed enrolments for next year. Please remind your child to read each night and to make sure you mark it off. Reward day is coming fast and I want all students to be able to participate at the end of the year. It would be great to have the whole class attend the final activity for the year.

Swimming
Swimming commences on Monday 21 November for 2 weeks. (depending on the weather). Cost will be $30 a student for the 2 weeks. ($15 a week = $3.00 a day- Bus and entry to pool). Because of the numbers at the school we won’t be able to all be seated on bus, so we will need private transport for some of the students. If you find it easier to pay the $3.00 a day, that will be okay. You may pay the amount as soon as you wish. PLEASE LET US KNOW WHAT OPTION YOU PREFER.

PUBLIC NOTICES

Calcutta
The WJPA will be holding a Melbourne Cup Dinner and Calcutta night on Saturday 29 October at the School of Arts Hall commencing at 6.30pm QT. This is a great evening for the local community. Just $10 a head for a two course meal. Funds from this event will go towards the public liability insurance. Without this insurance the hall cannot open.

For Sale
One 26” LG Television. Good Condition. $50. Phone Gail on 46843069.

Blue Light Disco
This will be held next Friday 4 November. Please see attached flyer.
