**Green Valley Excursion**
Thanks to the parents who have sent in the $10 per student for Green Valley plus the lunch orders. If you have not sent the $10 or lunch orders please do so ASAP. Children are to wear their school uniform so they are easily recognisable in a crowd. They do not have to wear their school hat but must wear some sort of hat from home. (Hope it is sunny). If you are able to assist us in providing morning and afternoon tea for the students please let me know. Children are to be at school by 6.15am. The bus will leave at 6.30am and return by 6.00pm.

**Voluntary Book Levy**
We will continue the voluntary book levy in 2011. The cost will remain the same at $50. This will include all text books, some consumables, internet usage and much more.

**Quote of the week**
Kind words can be short and easy to speak, but their echoes are truly endless.
Prep 1-2

We will be having a dress rehearsal on Tuesday at the Hall after swimming for our plays. The children can start bringing their costumes in ready for Tuesday. Please make sure that their bags are named and can easily be found.

We were dropped off at the hall yesterday and practised our play and will be practising again at the hall tomorrow. The plays are sounding and looking good.

Please make sure your child brings a jumper every day to wear after swimming as they need to keep warm so they don’t get sick.

3-4 News

As you are now probably aware, I have been lucky enough to be given the position of third teacher for semester 1 of 2011. I’m absolutely thrilled and am looking forward to teaching years 3/4/5.

As I’m sure you would’ve been told yesterday, our class had an epiphany in regards to our play and the students voted to alter it a little. Students are now required to wear a Christmas shirt or a red or green one with their jeans or black pants. Please do not go and buy one. White shirts would be acceptable and can be made to look Christmassy!

Secret Santa’s have been chosen and presents up to the value of $5 are due in by the last Wednesday of school. They can be brought in anytime between now and then.

Cheers,
Lauren

Head lice

Please check your child for head lice.

SWIMMING

Swimming has commenced and once again the weather is not terrific, but we will continue to go every day. Thanks to the parents who are driving and assisting us by taking a group. Without your help we would not be able to go swimming as we would not have the adult to child ratio required.
