Last week
This is the last week of Term 2 with Friday being the last day. Please note that Term 3 commences on Tuesday 12 July. Monday 11 July is a student free day. All staff will be involved in professional development and planning for Term 3.

Report Cards
Report cards will be handed out on Friday. Friday is a compulsory school day so students are expected to be here. If your child is not here, please contact the school. They will not get their reports until first day back next term if they are not at school Friday unless other arrangements are made.

Reward Day
Today was the homework/behaviour day for the students. Those students involved watched a movie and participated in indoor and outdoor games. We had about 8 students who could not participate because of homework issues and they spent the day with me, reading and doing school work. It was disappointing to have this number of students not involved. Most of it related to reading not being done and if it was done, it was not signed by the parents.

Regards
Scott Koch

Thought for the week
Goals help you channel your energy into actions.
We’ve finally reached the end of the term and a busy one it has been. The kids have done a great job of getting down to work after a myriad of disruptions at the start of the term. Reports are going home Friday and I am still happy to meet with you during the first week back if you would like to have a chat about your child’s progress. Just call the school to make an appointment.

Next term is shaping up to be a ripper! I’m sure the kids will love the work we have lined up.

Have a safe and enjoyable break.
Cheers, Lauren 😊

Prep 1/2

We have had a very busy term and a lot of progress has been made. Thankyou to you all for helping throughout this term by listening to your child read and assist them in learning their sight words. I am looking forward to next term and am already excited about the units of work we are going to do. Please encourage your child to recite their poems throughout the holiday because early next term they will be reciting these for the Eisteddfod.

School Security

As vandalism has occurred at the school over the last few holiday periods, please contact the police if you see anything suspicious or out of the ordinary at the school over the holidays. Some parents have indicated that they would like to use the school grounds and they have been given the appropriate paperwork giving them permission to be on the school grounds.

Winter Jackets

Tomorrow is the last day you can order the jackets. They are proving very popular with both students and parents. Cost is $28.

New polo shirts will be available for sale at the beginning of Term 3. If you have ordered some please collect during the first week.

School Camp

Students in 4/5/6/7 will be attending our school camp to Brisbane in November this year. I would just like to remind you that the full payment is required by the end of Term 3. Please be aware that you may pay the amount owing in instalments over term 3. If the full amount is not received, I am afraid that your child cannot go. If you are unsure of the amount owed, please contact the school.
